

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF OREGON**

ESTELA CABALLERO,

Plaintiff,

v.

**SNACK ALLIANCE, INC.; SCOTT
HELDRETH; MARK
SCHWERDTFEGER;
JERROD SELINSKY,**

Defendants.

Case No. 2:18-cv-2027-SU

ORDER

Michael H. Simon, District Judge.

United States Magistrate Judge Patricia Sullivan issued Findings and Recommendation in this case on September 14, 2020. ECF 48. Judge Sullivan recommended that the Court dismiss this case without prejudice for failure to prosecute and failure to follow court orders and deadlines. No party has filed objections.

Under the Federal Magistrates Act (“Act”), the court may “accept, reject, or modify, in whole or in part, the findings or recommendations made by the magistrate.” 28 U.S.C.

§ 636(b)(1). If a party files objections to a magistrate judge’s findings and recommendations,

“the court shall make a de novo determination of those portions of the report or specified

proposed findings or recommendations to which objection is made.” *Id.*; Fed. R. Civ. P. 72(b)(3).

If no party objects, the Act does not prescribe any standard of review. *See Thomas v. Arn*, 474 U.S. 140, 152 (1985) (“There is no indication that Congress, in enacting [the Act], intended to require a district judge to review a magistrate’s report to which no objections are filed.”); *United States v. Reyna-Tapia*, 328 F.3d 1114, 1121 (9th Cir. 2003) (en banc) (holding that the court must review *de novo* magistrate judge’s findings and recommendations if objection is made, “but not otherwise”).

Although review is not required in the absence of objections, the Act “does not preclude further review by the district judge[] *sua sponte* . . . under a *de novo* or any other standard.” *Thomas*, 474 U.S. at 154. Indeed, the Advisory Committee Notes to Fed. R. Civ. P. 72(b) recommend that “[w]hen no timely objection is filed,” the court review the magistrate judge’s findings and recommendations for “clear error on the face of the record.”

No party having made objections, this Court follows the recommendation of the Advisory Committee and reviews Judge Sullivan’s Findings and Recommendation for clear error on the face of the record. No such error is apparent. Accordingly, the Court **ADOPTS** Judge Sullivan’s Findings and Recommendation, ECF 48. This Court dismisses this case without prejudice for failure to prosecute and failure to follow Court orders and deadlines.

IT IS SO ORDERED.

DATED this 8th day of October, 2020.

/s/ Michael H. Simon
